Application for Membership
BISHOPS X-ILES
St. Gallen

I would hereby like to join the BISHOPS X-ILES association, based in St. Gallen (Switzerland). I agree to the articles of incorporation of the 23rd February 2019. I have taken particular notice of Art. 4, Art. 5 and Art. 12 of the articles of incorporation:

NOTE:

The following is an English **translation**.
The contents of the articles of incorporation in German are binding in case of a discrepancy between them and their English translation

4. Membership

Any individual, regardless of origin, race or gender, who is close to the Rugby Club St. Gallen (formerly known as "RFC The Bishop HSG" rugby club), may become a member. Applications for membership are to be addressed to the president; the admission will be decided on by the board.

Every active member is obliged to pay an entrance fee of CHF 200.

5. Exit and Expulsion

A member may exit the association at the end of the association year. The written declaration must be addressed to the president at least 14 days before the end of the association year.

A member who does not fulfil his obligations to the association or who harms the association or the sport of rugby in general, may be expelled from the association by the board, which is required to justify its decision. Within 30 days the member may bring an appeal to the president to cause a general assembly's decision.

12. Invitations and Notifications

Invitations and notifications to the members are addressed to the members by publication on the homepage or by e-mail.
